

Gunnedah Rural Health Centre Update December 2010

Construction

2011 is expected to be an exciting year for the project with construction expected to begin early in the new year, and the announcement of the successful company which will be contracted to construct the centre. The building phase is 12 months.

Community/Fundraising

Over the 12 months we have seen a large number of fundraising activities being held to assist with for the project. The community has now raised over \$100,000 in a period of 2yrs and 4 months. Gunnedah Rural Health Ltd Board congratulates the community on such an achievement. Future funds raised will go towards the fit out of the centre. A special acknowledgement goes to the Mercy Associates and Friends who have raised \$10,500 this year. The board thanks the community for their ongoing support and enthusiasm towards the project. If you have any ideas for fundraising events please contact please contact GRHC fundraising co-ordinator Harvey Stoneman 6742 1667 hjds@hotmail.com
